

Žygimantas Buzas

Junior Front-End Developer

ABOUT ME

I have always worked in the manufacturing field and decided to change my career. This is how I discovered programming and decided to start **Junior Front-End Developer** courses at **CodeAcademy** school. I successfully completed the courses and want to continue my career in this field.

TECHNICAL SKILLS

NODE.js

REACT

JavaScript

HTML

CSS

SOFT SKILLS

Attention to detail

Responsibility

Communication

EDUCATION

CodeAcademy

Feb. 2024 - Sep. 2024, 1064 hours

Front-End Programming

- I gained Front-End skills and a solid understanding of programming. I also learned Back-End concepts, including the NODE.js framework, server hosting, security requirements. Additionally, I learned to work in a team and use version control tools like Git.

WORK EXPERIENCE

UAB "GLOBALITA"

2021 - 2023

Tinsmith/Insulator

- I gained a lot of experience working in a team. I also developed a strong sense of responsibility and attention to detail.
